

UNITARIAN UNIVERSALIST ASSOCIATION PRINCIPLES AND PURPOSES

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

Many Unitarian Universalist congregations, including ours, have added an 8th Principle:

- Journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.

Chalice Lighting adapted from Brian Kiely

In times of darkness we stumble towards the tiny flame.
In times of cold we seek the warming fire.
In times of confusion we reach for the lamp of truth.
In times of loss we pray for the comforting light.
In times of joy we light a candle of celebration.
Spirit of Life, help us find what we need this day,
As together, we kindle this light.

Extinguishing Chalice

"Our service has ended, but our work is not yet done. May our spirits be renewed, and our purpose resolved as we meet the challenges of the week. The chalice flame is extinguished until once again ignited by the strength of our communion."
