Chalice Lighting *Web.* by Denise Leverton

*Intricate and untraceable
weaving and interweaving,
dark strand with light;
Designed, beyond
All spiderly contrivance,
To link, not to entrap:
Elation, grief, joy, contrition, entwined;
shaking, changing, forever forming, transforming:
All praise, all praise to the great web.*

Chalice Extinguishing by Martha Kirby Capo
Our service has ended, but our work is not yet done. May our spirits be renewed and our purpose resolved as we meet the challenges of the week. The chalice flame is extinguished until once again ignited by the strength of our communion.
