

## UNITARIAN UNIVERSALIST ASSOCIATION PRINCIPLES AND PURPOSES

We, the member congregations of the Unitarian Universalist Association, covenant to affirm and promote

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

Many Unitarian Universalist congregations, including ours, have added an 8<sup>th</sup> Principle:

- Journeying toward spiritual wholeness by working to build a diverse multicultural Beloved Community by our actions that accountably dismantle racism and other oppressions in ourselves and our institutions.
