***Hymn:** *Love's in Need of Love Today* (Stevie Wonder)

Chalice Lighting

Sue Bollens

Don't make any assumptions when it comes to love. You can get the love you want, but not by expecting others to be mind-readers. And you can give the love others need by being willing to adjust to their preferred style of loving.

The more willing you are to communicate and adjust, the more love you will feel all around you. Your most loved relationships are worth the effort – and you are worth all the love you desire.

Extinguishing the Chalice

We extinguish this flame but not the light of truth, the warmth of community, or the fire of commitment. These we carry in our hearts until we meet again.
