Chalice Lighting Lula Beatty

*We Unitarian Universalists don't drink from our chalice.
Instead, we use it to hold the flame. The circle of the chalice
helps keep the fire small. The flame doesn't blind us. It doesn't
burn us. It gives us light, so we can see all the different things in
the universe: even the invisible ones, because the Unitarian
Universalist flame is a light of learning.*

*The flaming chalice is a symbol of learning and of love. It's our
symbol: the symbol of Unitarian Universalism.*
